

2020

CURRICULUM VITAE  
BELINDA DEGARIS

## Details

---

<b>Name:</b>	Belinda DeGaris
<b>Business:</b>	Adelaide Hand Therapy
<b>Contact:</b>	Dextra Surgical 83 Kensington Road, Norwood (08) 8232 1788
	Adelaide Plastic Surgery L4, 18 North Tce, Adelaide (08) 8213 1800
<b>Qualifications:</b>	Bachelor of Applied Science (Occupational Therapy) <i>University of South Australia</i>
<b>Registration:</b>	Occupational Therapist – AHPRA (2014 – current)

Belinda has worked in various areas of Occupational Therapy, enjoying the variation and depth of the rehabilitation profession. Belinda has volunteered as an OT assistant in South Africa in paediatrics and Bangladesh in spinal cord injury. Finding her passion for hand therapy early on, she was able to incorporate hand therapy in her other Occupational Therapy roles.

She moved to Launceston, Tasmania in 2017 to pursue a role in setting up a private hand therapy clinic. Liaising closely with Orthopaedic Surgeons, General Practitioners and other Allied Health Professionals. Belinda moved back to Adelaide in January 2019 to work at Adelaide Hand Therapy and Flinders Medical Centre – Hand Therapy Department.

Belinda is an associate of the Australia Hand Therapy Association (AHTA), and through completing courses run by the AHTA and other hand practitioners, she is able to practice up-to-date techniques, staying at the fore-front of hand therapy. She particularly enjoys the diversity and challenges which hand and upper limb injuries can present and is well vetted in the assessment and rehabilitation of unique pain and conservatively managed injuries, including nerve injuries, tendonitis, joint pain / arthritis and chronic injuries. She also enjoys treating acute injuries such as trauma, fractures, and tendon injuries. Belinda strives to work with patients to achieve their goals and make the most of their rehabilitation.

## Career History

---
